WITNESS MY HAND AND SEAL this 10th day

of September, 1917.

Proof of completion of work OCT 11 1920

J.H. Sengham
State Engineer.

The necessity for filing any proofs under this filing is abrogated by the filing of application No. 3861, to change place of diversion and point of use of waters applied for in this application.

Imprinted H.M.P.-F.B.W.

This permit is issued subject to all prior rights on the source, and in conjunction with permit No. 3752, a portion of the same land being described in both filings. A water right is granted hereunder for 140.47 acres only, that being the maximum acreage for which the right can be changed under permit No. 3861. A standard headgate and weir must be installed at or near the point of diversion to facilitate the measurement and control of the water. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.
